On July 30, 2012, at approximately 0405 hours, Officer Higley (7A32) responded to the 1800 Block of W. North Avenue for an assault call for service. Upon Officer Higley's arrival to the scene, an unknown black male later identified as Charles Johnson male / black DOB: 10/8/61 was lying on the sidewalk on the left side of the front steps at 1849 W. North Avenue. The victim was face up with his head towards the south and his feet towards the north. The victim was suffering from a severe head injury and there was a silver wrench on the ground beside the victim. Doctor Ali from the Office of the Chief Medical Examiner later ruled the death of Mr. Johnson a homicide by blunt force trauma.

Your affiants investigation showed that the murder was caught on Closed Captioned Video Camera. Upon reviewing the cameras in the area it was discovered that the two individuals responsible for this murder had been stopped by two Western District Patrol Officers at the South West corner of Fulton Avenue and North Avenue. A field interview was conducted and both individuals were positively identified. The reason for the stop, according to both Officers Bormanshinov H481 (7A31) and Mitchell H133 (7A32), were that the two individuals were acting loud and disorderly. The stop took place at approximately 0250 hours and was captured by camera number 724 located at the North East
